Respected Sir/madam,

Greetings from School of Agriculture.

This is to inform you that I have conducted online theory counselling for **DMT 2020 July batch students**. Now, **the practical counselling sessions** are being scheduled considering that the practicals could not be conducted at the study centre due to covid situation.

Kindly share the counselling schedule with the DMT 2020 July students so that they can attend the online sessions. It is further mentioned that the 75% attendance in practical counselling is compulsory. I made whatsapp group of the students using the mobile data available with SRD and tried to contact them through whatsapp and email.

As some of the emails are not getting delivered because of technical problem and all the students are not using whatsapp, please inform them about the following **practical counselling schedule**:
