<u>**Notification No. 153 dated 1 July 2024**</u>

<u>**Bachelor of Science (Food Safety and Quality Management) (BSCFFSQM) - FYUP**</u>

Food safety is an emerging discipline and has become an area of priority and necessity for manufacturers, retailers, and regulators and consumers. Enforcement of Science-based Food Safety and Standards Act, 2006 has resulted in the requirement for a large number of qualified and trained workforce at different levels. Keeping this in view, the School of Agriculture (SoA), Indira Gandhi National Open University (IGNOU) is offering a first-of-its-kind Bachelor's degree programme in the area of Food Safety and Quality Management in Open and Distance Learning (ODL) mode. The Bachelor's degree programme in Food Safety and Quality Management is designed to cater to the educational needs of various stakeholders of food processing and food safety sectors.

Programme Objectives:

- To generate human resources in the area of food safety and quality management;
- To enhance knowledge and skills in multi-disciplinary areas like food science, food processing and food safety; and
- To promote self-employment in food processing, food safety and food auditing.

Eligibility criteria for admission: 10+2 with Science/Agriculture subject or its equivalent
