The School of social work is organizing a national webinar series (monthly based) beginning from March 2022. This is the current trend followed by the teaching community during this pandemic to reach a larger audience. The school has planned to invite distinguished experts from across the country to deliberate on the emerging issues of social work education and practice.. All sessions will be organized through panel discussion/ interactive session in online mode.

The proposed programme is aimed at sharing and exchanging knowledge with the learners on different relevant social issues keeping in mind the World Social Work Day on 16 th March. This webinar series will equip the learners to relate the theories with practical experiences and how social work practices are practiced in the field.

In this regard, SOSW would like to request you to kindly share the webinar link and programme schedule with the social work students to motivate them and to be in constant touch with them .It is to be held on 9th March 2022.

Kindly find the following details

The Schedule for the first session of webinar series is:
