Certificate in Health Care Waste Management

The concern for bio-medical waste management has been felt globally with indiscriminate disposal of health care waste and the rise in deadly infections such as AIDS, Hepatitis-B. The need to educate different health care professionals/ workers about health care waste management is thus very important. To cater to the needs of these health care professionals, the School of Health Sciences, IGNOU and WHO, SEARO have developed a Certificate Programme in Health Care Waste Management in the South-East Asia Region Countries. The programme aims to:

- Sensitize the learners about health care waste and its impact on our health and environment.
- Acquaint the learner about the existing legislation, knowledge and practices regarding health care waste management in South-East Asia Region countries.
- Equip the learner with skills to manage health care waste effectively and safely.

Target Group : Doctors, Nurses, Paramedics, Health Managers and other professional workers working in health care institutions.

Eligibility : 10+2 or its equivalent

Medium of Instruction : English

Duration : Minimum 06 months and Maximum 02 Years, offered in both January & July cycle of admissions.

Fee Structure : Rs. 3,000/- for full Programme

Programme Structure :

CourseCode	Title of the Course	Credits
Compulsory Courses

M.Sc in Food Safety and Quality Management (MSCFSQM)

IGNOU

The Indira Gandhi National Open University (IGNOU) has been established by an Act of Parliament in 1985. It serves the educational aspirations of around 3.5 million students through its 21 School of Studies, 67 Regional Centres and over 3000 Learners' Support Centres. The University is making all efforts to take higher education at the doorstep of the *hitherto* unreached through Open and Distance Learning (ODL) and online modes.

School of Agriculture

The School of Agriculture (SoA) was established in 2005 with a mission to improve and sustain the quality of human life and productivity of agriculture and allied sectors through Open and Distance Learning (ODL). The School is offering ODL and online programmes and MOOCs in agriculture and allied fields.

About the Programme

Food safety is an emerging specialization in modern day education, gaining importance since the enactment of Food Safety and Standards Act, 2006 by the Govt. of India. The enforcement of the act has created a good demand for the qualified food safety professionals in various areas like food processing, food testing, food safety, food regulation, auditing, risk management etc. There is an acute shortage of professionals in the food safety systems. The M. Sc in Food Safety and Quality Management (MSCFSQM) programme, offered through ODL mode, shall enable the availability of competent food safety professionals in the country.

Programme Objectives

- To develop qualified and competent human resource in the field of the food safety and quality management for regulators, industry, academic/research institutions, certifying and accreditation bodies, food trade, food testing and training;
- To delve in depth on various aspects of food safety and quality management i.e. food standards, harmonization with global benchmarks, quality management systems, food analysis, instrumentation, risk analysis/management, traceability and auditing to transform the food ecosystem;
- To nurture a positive and disciplined food safety culture among the professionals; and
- To conduct research studies on emerging food safety issues and formulation of science based regulatory framework.

Eligibility Criteria for Admission

- Graduation/ Post Graduation in Science with Chemistry/ Bio-chemistry or Microbiology as one of the subjects.
- Graduation/ Post Graduation in allied sciences like Agriculture/ Food Science/ Food Technology/Food and Nutrition/Engineering having Chemistry and Microbiology subjects/ Post Harvest Technology/ Home Science/ Life Science/Microbiology/ Biochemistry/ Biotechnology/ Horticulture/ Dairy Technology/ Veterinary/ Fisheries/Medical/ Dental Sc./ Nursing/BAMS/ BHMS/Hotel Management and Catering/ Hospitality Management etc.
- PG Diploma in Food Safety and Quality Management (lateral entry for 2nd year of M. Sc). These diploma holders should also have one of the qualifications mentioned at (a) and (b). They (who have completed 32 credits) will also have to complete one additional project work/industrial training report/food testing lab training/MOOC of 4 credits in the second year.

Programme Duration

Minimum: 2 years and Maximum: 4 years

Programme Fee

Rs. 26000/- for full programme to be paid year wise @Rs. 13000/- per year.

Programme Structure

Courses in 1st Year

Course Code and Title	Credits
MVP-001 Food Fundamentals and Chemistry	4
MVPI-001 Food Microbiology	4
MVP-002 Food Laws and Standards	4
MVP-003 Principles of Food Safety and Quality Management	4
MVP-004 Food Safety and Quality Management Systems	4

ABOUT Indira Gandhi National Open University

- The IGNOU, established by an Act of Parliament in 1985, has emerged as one of the largest University in the world. IGNOU serves the educational aspirations of nearly 3 million students in India and 32 other countries through the twenty-one Schools of Study and a network of 66 Regional Centers, around 2000 Study Centers/tele-learning centers and around 46 overseas centers. The University offers around 500 Certificate, Diploma, Degree and Doctoral programmes with strength of about 400 faculty members and academic staff at the Headquarters and Regional Centers and about 30,000 counselors from conventional institutions of higher learning, professionals from various organizations. *The degrees awarded by IGNOU are recognized as on par with those awarded by any other central or state university in the country.* **The commonwealth of Learning, Vancouver, Canada, has conferred the title, “Centre of Excellence in Distance Education” on the University.**

STUDENT SUPPORT ACTIVITIES

The courses are designed to be learner-friendly and flexible in terms of age, entry level qualifications and pace and place of learning. To provide an effective student support IGNOU has wide network of Study Centre through out country.

- **Learning Material** is sent to the students by post.
- **Audio-video cassettes and CDs** produced by the University can be heard/viewed at the study centre or purchased for use at home.
- **Counselling** sessions are held at the Study Centres usually during weekends.
- **TV Counselling and Teleconferencing** is available at Gyan Darshan channel.
- **Radio Counselling** is available through phone in programme AIR and Gyan Vani.

EVALUATION

Evaluation consists of the following components:

- Continuous assessment through assignments (30%),
- Term-end examination (70%);

PG DIPLOMA IN PHARMACEUTICAL SALES MANAGEMENT (PGDPSM)

The basic objective of this programme is to improve career opportunities of Science graduates. *This programme is especially for all those seeking a career as a Medical Representative or for the capacity building of those already in this profession.* This is for the first time that such a programme is being offered through distance mode

Credits: 32
Number of Courses: 6
Medium of Instruction: English
Eligibility: - Graduate Degree in any Discipline with Science in 10+2 OR
- Graduate Degree in any Discipline without Science in 10+2 but with 2yrs. experience as Medical Representative
Duration: Min. 1 year, max. 3 years
Programme Fee: Rs. 8,400/- only

IGNOU is providing training to the employees of Dr.Reddy's Laboratories Ltd. through this programme.

ADMISSION: Twice a year (January & July Sessions)*
Applications submission in April/May and Oct./November

HOW TO APPLY

- The Student Handbook and Prospectus can be obtained in person from the sale counter of University Head Quarter or Regional Centres on payment *.
- The Student Handbook and Prospectus can also be downloaded from the University website www.ignou.ac.in.

The candidates are required to send the Application Form to respective Regional Centres along with a Demand Draft of the Programme Fee in favour of IGNOU**.

* Check the cost of the Application Form and last date from IGNOU website: www.ignou.ac.in or News Papers.

** In case of downloaded Forms the cost of the Form must be added to the DD.

Programme Structure

This Diploma programme consists of 32 credits. Each credit amounts to 30 study hours, comprising all learning activities. Thus, a **4 credits** course means 120 and a **6 credits** course means 180 study hours. To successfully complete this programme, the student will have to earn 32 credits over a period of **1 to 3 years** by passing all the prescribed courses. The basic structure of the programme is as follows:

Sl. No	Course Title	Course Code	Credits
1.	Introduction to Anatomy, Physiology, and Pharmaceutical Chemistry	MVE-001	6
2.	Pharmacology and Toxicology	MEV-002	6
3.	Pharmaceutics	MVE-003	4
4.	Drugs Regulatory Affairs	MVE-004	4
5.	Introduction to Management	MVE-005	6
6.	Sales Management	MVE-006	6

Contents: Brief syllabi of the individual courses are given below:

Introduction to Anatomy, Physiology, and Pharmaceutical Chemistry (MVE-001)

Unit-1	Cellular Studies of Human Tissues and Organ System
Unit-2	Anatomy and Physiology of Various Body Systems-I
Unit-3	Anatomy and Physiology of Various Body Systems-II
Unit-4	Diseases and Disorders of Various Body Systems-I
Unit-5	Diseases and Disorders of Various Body System-II
Unit-6	Diseases and Disorders of Various Body system-III
Unit-7	Essentials of Pharmaceutical Chemistry-I
Unit-8	Essentials of Pharmaceutical Chemistry-II
Unit-9	Concepts of Synthetic drugs
Unit-10	Pharmacognosy and Phytopharmaceuticals
Unit-11	Pharmacognostical studies and Herbal Formulations
Unit-12	Evaluation and Quality Control of Pharmaceuticals
Unit-13	Good Laboratory Practices, Good Manufacturing Practice and Good Clinical Practice

Pharmacology and Toxicology (MVE-002)

Unit-1	General Action of Drugs – I
Unit-2	General Action of Drugs – II
Unit-3	Drugs Acting on Autonomic Nervous System

- | | |
|----------|---|
| Unit -4 | Drugs Acting on Cardiovascular System |
| Unit- 5 | Drugs Acting on Blood |
| Unit -6 | Drugs Acting on Urinary System |
| Unit -7 | Autacoids |
| Unit -8 | Drugs Acting on Respiratory System |
| Unit-9 | Drugs Acting on Central Nervous System |
| Unit-10 | Drugs Acting on Gastrointestinal Tract System |
| Unit-11 | Local Anaesthetics |
| Unit -12 | Chemotherapy – I |
| Unit-13 | Chemotherapy – II |
| Unit-14 | Drugs Acting On Endocrine System |
| Unit-15 | Poisoning |
| Unit-16 | Drug Interaction |
| Unit-17 | Miscellaneous Drugs |

SALES MANAGEMENT (MVE-006)

- ### Pharmaceuticals (MVE-003)

- | | |
|---------|---|
| Unit-1 | Introduction to Pharmaceutics |
| Unit-2 | Solid and Liquid Dosage Forms |
| Unit-3 | Parenteral and External Preparations |
| Unit-4 | Miscellaneous Preparations |
| Unit-5 | Basics of Biopharmaceutics |
| Unit-6 | Bioavailability, Bioequivalence and Clinical Trials |
| Unit-7 | Biopharmaceuticals |
| Unit-8 | Cosmeceuticals |
| Unit-9 | Nutraceuticals |
| Unit-10 | Probiotics |

Drug Regulatory Affairs (MVE-004)

- | | |
|--------|--|
| Unit-1 | Pharmaceutical Industry |
| Unit-2 | Regulatory Authorities |
| Unit-3 | Clinical Trials |
| Unit-4 | Approval of Special Products |
| Unit-5 | New Drug Approval in Regulated/Non-Regulated |
| Unit-6 | Origin of Pharmaceutical Legislation |
| Unit-7 | Drug and Cosmetics Acts and Rules |
| Unit-8 | Miscellaneous Acts and Rules |

Introduction to Management (MVE 005)

- | | |
|--------|--|
| Unit-1 | Task of a Professional Manager |
| Unit-2 | Responsibilities of a Professional Manager |
| Unit-3 | Managerial Skills |
| Unit-4 | Planning Process |
| Unit-5 | Organisational Context of Decisions |
| Unit-6 | Decision Making Models |
| Unit-7 | Decision Making – Techniques and Processes |
| Unit-8 | Organisational. Culture and Managerial Ethos |

Master of Arts (Women and Gender Studies) (MAWGS)

School of Gender & Development Studies (SOGDS)

Women's & Gender Studies are emerging and growing areas of academic inquiry today. The modular MAWGS programme is aimed at students with a Bachelor's degree in any discipline with an interest in this area. The programme will acquaint students with the academic area of women's and gender studies and its history, theoretical premises and progression to present day status. It is expected that learners who have completed the MA programme would have a deeper understanding of formulations of empowerment. They would have been exposed to cultural, literary, political and socioeconomic dimensions within gender frameworks through either one of the two specialisations. This degree will equip students with the ability to deconstruct the complex power hierarchies and relationships operating in society, from the perspective of women and gender.

Career Options Students completing the Master's Degree will be able to pursue higher studies and research programmes, find employment with government agencies, corporate sector, advocacy assignments through national and international non-profit organisations, pursue careers in teaching, writing, editing, mass media or opt for other appropriate career options

Eligibility: Bachelor's Degree from any recognized University

Medium of Instruction: English

Admission open for both January & July cycle

Duration: Minimum-2 years

Maximum: 4 years

Fee Structure :Rs. 7,200/- per year Total = Rs. 14,400/-*

(Excluding registration fee)

Programme Coordinators: Prof. Nilima Srivastava,

Post Graduate Diploma in Agribusiness (PGDAB)

IGNOU

The Indira Gandhi National Open University (IGNOU) has been established by an Act of Parliament in 1985. It serves the educational aspirations of more than 3.5 million students through its 21 School of Studies, 67 Regional Centers and over 3000 study centres. The University is making all efforts to take higher education at the doorstep of the *hitherto* unreached through Open and Distance Learning (ODL) and online modes.

School of Agriculture

The School of Agriculture (SoA) was established in 2005 with a mission to improve and sustain the quality of human life and productivity of agriculture and allied sectors through Open and Distance Learning. The School is offering ODL and online programmes and MOOCs in agriculture and allied fields.

PGDAB Programme

Indian agriculture is changing fronts due to changes in the global economy. More than 85 percent of Indian farmers belong to the marginal and small category of farmers having landholding less than 2 hectares. Still, agriculture in India contributes to the National Income to the tune of 18 percent. It offers maximum employment opportunities for the unorganized workforce. The reduction in the cost of production and realizing better economic return are the need of the hour to sustain the agrarian economy in this country.

Agribusiness is the harnessing of the management strategies in agriculture and strengthening the economy of each farmer. In the present era, the agriculture business requires a new dimension through the use of digital technologies, government schemes, and other frontiers. Keeping in view the need for building managerial skills in the stakeholders of agriculture, the School of Agriculture has developed the Post Graduate Diploma in Agribusiness.

Objectives

- Develop agribusiness professionals in agriculture, food, and allied sectors;
- Encourage entrepreneurship among farmers, intermediaries & traders, and other stakeholders in the agri-enterprise chain;
- Inculcate and develop managerial skills among the learners to cater to the needs of the agriculture sector.

Target group

Graduates in agriculture and other disciplines, in-service and practising agricultural extension and development professionals, professionals of agro-industries, NGOs, cooperatives, corporate, financial, and marketing organizations/institutions.

Eligibility	: Graduation in any discipline
Medium of Instruction	: English
Duration	: Minimum - 01 year, Maximum - 03 years
Programme Fee	: Rs. 7100/-

Programme Structure

Admissions are Open for
Post Graduate Diploma in Animal Welfare (PGDAW)
 (Open and Distance Learning Mode)

Online Admission Link: <https://ignouadmission.samarth.edu.in/>

Animal welfare education is a multidisciplinary subject with the core components of welfare science, ethics, laws and standards. In general, we are concerned about the welfare of all animals that are managed in some way by humans, and where we have particular responsibilities for their care. In the past, 'farm animal welfare' has received the most attention. Over time, welfare issues pertaining to working, performing, companion, zoo and lab animals have also received attention. The PGDAW programme has covered welfare science, ethics, laws and standards of all managed animals like cattle and buffaloes; sheep and goat; pigs; poultry; working, performing, pet, zoo and lab animals.

Programme Objectives

- To impart science based animal welfare education through open and distance learning.
- To build capacities of stakeholders in taking socially responsible decisions concerning animal welfare.
