व्यावसायिक शिक्षा और प्रशिक्षण को उच्च शिक्षा से जोड़ने के लिए कौशल विकास और उद्यमशीलता मंत्रालय ने इग्नू के साथ समझौता ज्ञापन पर हस्ताक्षर किए

नई दिल्ली । व्यावसायिक और तकनीकी प्रशिक्षण ढांचे को और अधिक मजबूत करने के लिए, कौशल विकास और उद्यमशीलता मंत्रालय ने आज इंदिरा गांधी मुक्त विश्वविद्यालय (इग्नू) के साथ एक समझौता ज्ञापन (एमओयू) पर हस्ताक्षर किए। इस साझेदारी का उद्देश्य व्यावसायिक शिक्षा और प्रशिक्षण को उच्च शिक्षा के साथ जोड़ना है, जिससे भारत के युवाओं को बेहतर काम के अवसरों तक पहुंचाने के लिए अवसर सृजित करके रोजगार योग्य बनाया जा सके। राष्ट्रीय कौशल प्रशिक्षण संस्थानों (एनएसटीआई), औद्योगिक प्रशिक्षण संस्थानों (आईटीआई), प्रधानमंत्री कौशल केंद्रों (पीएमकेके) और जन शिक्षण संस्थानों (जेएसएस) से जुड़े प्रशिक्षुओं को अपवर्ड मोबिलिटी

कार्यक्रम से लाभ प्राप्त होगा जिससे छात्र उच्च शिक्षा प्राप्त करके बेहतर आजीविक के अवसर प्राप्त करने में सक्षम हो सकेंगे। इस साझेदारी के अंतर्गत, 32 एनएसटीआई, 3,000 से अधिक सरकारी आईटीआई, 500 पीएमकेके और लगभग 300 जेएसएस को प्रशिक्षण के लिए पंजीकरण केंद्रों, परीक्षा केंद्रों और कार्य केंद्रों के रूप में इग्नू से जोड़ा जाएगा। इस सहयोग के माध्यम से, छात्रों को अब इग्नू के तीन वर्षीय डिग्री प्रोग्राम में शामिल होने का अवसर मिलेगा। इस कार्यक्रम की प्रगति की निगरानी और समीक्षा करने के लिए एमएसडीई और इग्नू दोनों के प्रतिनिधियों के साथ एक परियोजना संचालन समिति होगी। समझौता ज्ञापन प्रारंभिक चरण में 10 वर्ष की अवधि

के लिए आपसी समझौते पर नवीनीकरण के अधीन होगा। यह समझौता ज्ञापन सतत विकास लक्ष्य 4.4 और राष्ट्रीय शिक्षा नीति (एनईपी) 2020 के अनुरूप है, जिसमें 2035 तक व्यावसायिक शिक्षा सहित उच्च शिक्षा में सकल नामांकन अनुपात (जीईआर) को 50% तक बढ़ाना है। कौशल विकास और उद्यमशीलता मंत्रालय के सचिव राजेश अग्रवाल ने इस पहल की सराहना की और अपने विचार व्यक्त करते हुए कहा कि, "भारत का युवा जनसांख्यिकीय लाभांश इसकी आर्थिक प्रगति का इंजन है और गुणवत्तापूर्ण उच्च शिक्षा के साथ-साथ कौशल और व्यावसायिक प्रशिक्षण प्राप्त करने के लिए सार्थक मार्गों तक पहुंच की आवश्यकता है।"

IGNOU, MSDE sign MoU for hands-on training to students

PUNJAB EXPRESS BUREAU
Chandigarh, January 19

Indira Gandhi National Open University (IGNOU) and the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India, signed a Memorandum of Understanding (MoU) for linking vocational education and training to higher education for trainees attached to National Skill Training Institutes (NSTI), ITIs, Pradhan Mantri Kaushal Kendras (PMKK) and Jan Shikshan Sansthan (JSS) for their upward mobility.

Under this MoU, 32 NSTIs, 3000+ ITIs, 500 PMKKs and nearly 300 JSS will be associated with IGNOU as Regis-

tration Centres, Examination Centres and Work Centres for hands-on training. Students will now get an opportunity to join the three-year degree programme of IGNOU and shall have easy access to attain higher education. There shall be a Project Steering Committee with representatives from both MSDE and IGNOU to monitor and review the progress under this partnership. The MoU is initially for a period of 10 years subject to renewal on mutual agreement. This MoU is in alignment with the Sustainable Development Goal 4.4 and the NEP 2020 for increasing GER in higher education including vocational education to 50 % by 2035.

Rajesh Aggarwal, Secretary MSDE lauded the initiative and desired that the joint initiative shall be implemented at the earliest initially with 32 NSTIs declared as IGNOU centres in the initial stages. He further added that foreign language training, skill-based health care education, fashion design and few other courses can be implemented under this partnership. Prof. Nageshwar Rao, Vice-Chancellor IGNOU thanked the Secretary MSDE for this initiative and assured that IGNOU shall provide all necessary support through its 21 Schools of Studies and 56 Regional Centres for successful implementation of the scheme.

Ministry of Skill Development and Entrepreneurship signs MoU with IGNOU

HT Bureau

GUWAHATI, Jan 19: To further strengthen the vocational and technical training framework, the Ministry of Skill Development and Entrepreneurship signed a Memorandum of Understanding (MoU) with Indira Gandhi Open University (IGNOU) on Wednesday. The partnership aims to link vocational education and training with higher education, making India's youth employable by creating avenues for them to access better work opportunities. The trainees attached to National Skill Training Institutes (NSTI), Industrial Training Institutes (ITI), Pradhan Mantri Kaushal Kendras (PMKK) and Jan Shikshan Sansthan (JSS) will benefit from the programme which is aimed at creating upward mobility of these students to be able to attain higher education for better livelihood opportunities.

Under the partnership, 32 NSTIs, more than 3000 Government ITIs, 500 PMKKs and nearly 300 JSS will be associated with IGNOU as Registration Centers, Examination Centers and Work Centers for hands-on training. Through the collaboration, students will now get an opportunity to join the three-year degree programme of IGNOU. There shall be a Project Steering Committee with representatives from both MSDE and IGNOU to monitor and review the progress of the programme.

The MoU is initially for a period of 10 years subject to renewal on mutual agreement. The MoU was signed by Dr BK Ray, director (CBC), MSDE and Dr. V.B. Negi, registrar, IGNOU.

Rajesh Aggarwal, secretary, Ministry of Skill Development & Entrepreneurship lauded the initiative and expressed, "India's young demographic dividend is the engine of its economic progress and needs access to meaningful pathways to receive quality high education as well as skill, and vocational training. This initiative is aimed in this direction as it provides higher social and economic mobility to our youth, with requisite qualifications. Our Prime Minister's vision is to fulfill the aspirations of India's youth and prepare them for the future world of work and this initiative is aligned with it. IGNOU as an establishment has continuously striven to build an inclusive knowledge environment and I am optimistic that this collaboration will provide an opportunity to India's youth population to build their capacities and shape their future. In its initial stage, the joint initiative shall be implemented at the earliest with 32 NSTIs declared as IGNOU centers including courses on foreign language training, skill-based healthcare education, fashion designing and more."

In a bid to strengthen vocational education, the ministry of skill development & entrepreneurship has signed a Memorandum Of Understanding (MOU) with the Indira Gandhi Open University (IGNOU).

As part of the agreement, IGNOU will develop standards for quality assurance, develop counselling and trainer training programmes to facilitate students' enrolments, train the staff of the identified centres to handle the enrolments and counselling, and mentor the management of NSTIs, ITIs, PMKKs and JSSs. It will also provide self-learning material (SLM) in digital form, undertake the comprehensive evaluation and conduct term-end examinations for its own components, and issue certificates to successful learners, said the ministry.

MSDE and IGNOU join hands to bring higher education opportunities to skill India candidates

Srinagar, January 19 (Scoop News)- To further strengthen the vocational and technical training framework, Indira Gandhi National Open University (IGNOU) and the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India, signed a Memorandum of Understanding (MoU) for the linking vocational education and training to higher education for trainees attached to National Skill Training Institutes (NSTI), ITIs, Pradhan Mantri Kaushal Kendras (PMKK) and Jan Shikshan Sansthan (JSS) for their upward mobility. Under this MoU, 32 NSTIs, 3000+ ITIs, 500 PMKKs and nearly 300 JSS will be associated with IGNOU as Registration Centres, Examination Centres and Work Centres for hands-on training. Students will now get an opportunity to join the three-year degree programme of IGNOU and shall have easy access to attain higher education. There shall be a Project Steering Committee with representatives from both MSDE and IGNOU to monitor and review the progress under this partnership. The MoU is initially for a period of 10 years subject to renewal on mutual agreement. This MoU is in alignment with the Sustainable Development Goal 4.4 and the NEP 2020 for increasing GER in higher education, including vocational education to 50 % by 2035.

Sh. Rajesh Aggarwal, Secretary MSDE lauded the initiative and desired that the joint initiative shall be implemented at the earliest initially with 32 NSTIs declared as IGNOU centres in the initial stages. He further added that foreign language training, skill-based health care education, fashion design and few other courses can be implemented under this partnership. Prof. Nageshwar Rao, Vice Chancellor IGNOU thanked the Secretary MSDE for this initiative and assured that IGNOU shall provide all necessary support through its 21 Schools of Studies and 56 Regional Centres for successful implementation of the scheme.

IGNOU Regional Director Srinagar Kashmir Dr Kamlesh Meena expressed his happiness about this initiative, which would enhance the skill abilities among the aspirants, who desire to seek admission in such courses. Under the MoU, the youths of Kashmir valley will also be benefited and will be able to attain higher education for better job opportunities and livelihoods. Dr Meena said that the aim of this MoU is to link vocational education and training with higher education, making India's youth employable by creating avenues for them to access better work opportunities. According to the Ministry of Skill Development and Entrepreneurship, the trainees attached to the National Skill Training Institutes (NSTI), Industrial Training Institutes (ITI), Pradhan Mantri Kaushal Kendras (PMKK) and Jan Shikshan Sansthan (JSS) will benefit from the programme, aimed at creating upward mobility of these students to be able to attain higher education for better livelihood opportunities.
