Dear Sir/Madam

Climate change is increasingly becoming a global challenge and already the world has started seeing catastrophic results in various forms such as increased frequencies of cyclones, floods, cloud bursts, forest fires, etc. As per UN data, Climatic changes have already caused over 150,000 deaths annually world over. It is now well comprehended by all the Nations that unless emphasis is made and actions are taken to control the climate degeneration, the world will face irreversible catastrophic damage.

Aims & Objectives of the Program:

1. To create awareness amongst young minds and the next generation to comprehend the in-depth complexity of the looming dangers of uncontrolled climate devastation.
2. To acquire knowledge on the job skills, competency & attitude to confront the environmental challenges & their mitigation.
3. To encourage proactive & enthusiastic participation from the students to create "Green and safe planet".
